Michelle:

The latest enforcement action - Federal Facility Compliance Agreement – issued 6/12/2003 and was closed out – 12/2/2012 - because they came into compliance.

Josephine,

If the facility is operated by the USACE, we would not have issued any administrative orders to a federal entity for compliance.

Nancy can you verify that there has not been any enforcement at this facility for which we would have been the lead for this permit.
